AGRANA enlarges Management Board and appoints Franz Ennser as a member

The Supervisory Board of AGRANA Beteiligungs-AG resolved to appoint Franz Ennser as a new member of the Management Board for a term of three years with effect from 1 November 2025.

The current Management Board, consisting of Chairman Stephan Büttner, Norbert Harringer and Stephan Meeder, is thereby being supplemented by the addition of this 54-year-old agricultural economist from Upper Austria as its fourth member.

As Chief Operations Officer (COO), Franz Ennser will be responsible for the following areas:

- Agricultural Raw Materials
- Operational Excellence, including Occupational Health and Investments
- Purchasing, Logistics & Supply Chain Management

Franz Ennser has been employed at the AGRANA Group since 1998, where he has worked for Austria Juice GmbH since 2006 and held the position of CEO there since 2014.

About AGRANA

AGRANA converts agricultural raw materials into high-quality foods and numerous industrial intermediate products. Around 9,000 employees working in its two business units, Agricultural Commodities & Specialities and Food & Beverage Solutions, generate annual Group revenue of approximately € 3.5 billion at 50 production facilities worldwide. The Group was founded in 1988, is the global leader in fruit preparations and a leading manufacturer (and supplier) worldwide of apple and berry juice concentrates. AGRANA is the leading sugar company in Central and Eastern Europe and a major producer of customised potato, corn and wheat starch products as well as bioethanol.
